TRAIN TO BE A GAS ENGINEER

Calling all ex-military women!
We're offering training opportunities to
become a Gas Engineer in just 6 months,
with potential earnings of £50,000+ once
qualified.

Why Attend?

- ✓ 18-week placement with a reputable employer - potential for living wage
- ✓ 8 weeks of full-time training with our partner - Brookhouse Training
- ✓ You can use your ELCAS funding to cover part of the cost - We also have some small bursaries available to support you.
